

## **How We Remember: The Legacy of the Holocaust Today**

---

**April 14 - 27, 2025, 7 a.m. ET**

*AN ONLINE COURSE RECOMMENDED BY THE OFFICE FOR PROMOTING CHRISTIAN UNITY AND RELIGIOUS RELATIONS WITH JUDAISM.*

How did the world respond when the reality of the Holocaust came to light? How can we learn from the international response to crimes against humanity in interpreting memory and history? As part of Holocaust Awareness Month, Echoes & Reflections presents an online course that examines the pursuit of justice at Nuremberg, the effect the trials, how survivors coped with trauma to build new lives, and how we remember the Holocaust today.

This event is geared towards educators and students; however, everyone is welcome to attend.

In this Holy year of Jubilee, join as a Pilgrim of Hope, for greater understanding of the Jewish community as we work together in friendship for the common good.
