

Dominican Friars Youth Interfaith Video Contest

2024

THEME

"This is a time when the world needs more love and compassion than ever."

VIDEO CONTEST OPEN TO STUDENTS IN GRADES 9-12

Contestants are encouraged to highlight the need and power of love and compassion, and how they can transform our society.

The world is currently facing great threats due to the lack of harmony and understanding among people. Instead of growing division, intolerance and hate, we can come together to combine our strengths and resources to overcome any challenge. It's time to recognize the importance of harmony and peace, for only through dialogue, support and collaboration can we hope to problem-solve and secure a positive future for all.
